

NOTICE FOR E-BIDDING UNDER SWISS CHALLENGE METHOD

Tender Enquiry No. 43/PSPCL/IPC/Solar/200MW/ET-4/SCM Dt. 07.06.2023

PURCHASE OF POWER FROM 200 MW GRID CONNECTED SOLAR PHOTOVOLTAIC POWER PROJECTS LOCATED ANYWHERE IN PUNJAB THROUGH e-BIDDING UNDER SWISS CHALLENGE METHOD

RfS No. 34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4 Dated 19.04.2022 was floated by PSPCL for Purchase of Power through Competitive Bidding Process (followed by e- Reverse Auction) from 1000 MW Grid Connected Solar Photovoltaic Power Projects located anywhere in Punjab. In this regard, PSPCL invites prospective bidders for the e-bidding under Swiss Challenge Method, based on an existing offer in hand of PSPCL from a bidder (termed as “Originator/ Proponent”). The brief of the existing offer is detailed below:

Offer of Originator/ Proponent	Capacity	Tariff
	200 MW	Rs. 2.75/kWh

The e-bidding shall be conducted under Swiss Challenge Method where the offer in hand with PSPCL as described above (termed as “Base Bid”). PSPCL invites bids (termed as “Challenger Bids”) from eligible bidder(s) on terms and conditions set out in the tender documents. The tender documents including RfS No. 34/PSPCL/IPC/SOLAR/1000MW/2022/ET-4 Dated 19.04.2022 along with corrigenda/ addenda and draft PPA are attached herewith as Annexure-I.

The process to be followed is detailed below:

- a) Interested bidder(s) shall submit the technical bid [as detailed in the tender documents (refer clause 3.18 of the RfS)], as well as the financial bid on the ETS portal <https://www.bharat-electronictender.com/> portal before the scheduled date/ time. Hard Copy of the Financial Bid SHALL NOT be sent to this office.
- b) The bid(s) shall be submitted for only 200 MW Solar Power Projects to be set up/located anywhere in Punjab. Bids for partial capacity shall not be permissible.
- c) The interested bidder may offer bid at a price only lower than the base bid price after taking into account the minimum decrement value as mentioned at point (d) below.
- d) The minimum difference required for the challenger bid less than the base bid is fixed at Rs. 0.01/kWh. Bidders can only quote any value (as challenger bid) lower than the base bid value taking into consideration of the minimum decrement value mentioned above. However, increase in tariff will not be permissible.
- e) If no counter bid less than the base bid value is received, the base-bid becomes the winning bid subject to final approval by competent authority.
- f) If counter bid(s) less than the base bid value are received, the lowest counter bid becomes the challenger bid.
- g) The Base Bid provider would be invited to match the challenger bid. If the Base Bid provider matches or offers lower price than the challenger bid, such bid shall become the winning bid; else, the challenger bid shall be the winning bid.
- h) Acceptance of the offer shall be at the sole discretion of the PSPCL and shall be subject to approval of the competent authority.

The time schedule for completion of the process is given below:
